

§ 16.2

(ii) If the request in whole or in part does not contain a reasonable description of any HUD document, but does provide sufficient information under HUD Privacy Act Regulations to undertake a Privacy Act Records System search, the Department will provide full access under HUD Privacy Act Regulations. In this situation, the Department will comply with the deadlines for response set forth in the Privacy Act and HUD implementing regulations. In that event, an explanation will be provided to the requester advising that the request did not contain a reasonable description of a particular document as required under the FOIA and offering to process the request under FOIA procedures upon receipt of additional information sufficient to constitute a reasonable description.

(3) A *Freedom of Information Act request from an individual for records about another individual contained in a Privacy Act Records System* shall be processed as follows: When an exemption under subsection (b) of FOIA is available, the Privacy Act governs the public interest determination under HUD FOIA Regulations (24 CFR 15.21) and compels the withholding of such documents unless: (i) The subject of those records consents to their release or (ii) disclosure comes within one of the subsections of 5 U.S.C. § 552a(b).

(4) A *Privacy Act request from an individual for records about another individual* shall be processed as follows: Except as expressly permitted in this part, requests by persons who are not the subject of a record contained in a Privacy Act Records System shall be outside the scope of this part. If the request satisfies the Freedom of Information Act requirement that requested records be reasonably described, the Privacy Act Officer shall consider the requests as a Freedom of Information Act request and shall proceed as in § 16.1(e)(1) of this section.
